In Veronica Davis case, who d want to - especially when you hail from Fossil, Washington? But now she s back among the good-ol boys who think she s fair game just because she s in a waitress uniform. The truth is, Veronica s the boss - at least until she can sell the family saloon and skip town again as fast as her feet can carry her - and nobody knows that better than Cooper Blackstock. From behind the bar, the ex-Special Forces Marine sees all. And his undercover agenda has made the feisty boss-lady s troubles his own. And her troubles are considerable, what with a family in turmoil, a psuedo-bartender with dangerous secrets, a murder investigation, and death threats. Though the town surprisingly rallies in support, it s still a good thing that Cooper will be there to catch Veronica if she stumbles - if he doesn t start falling himself.
