### ***Reviews***

*This publication is wonderful. It can be rally fascinating throgh reading period of time. You are going to like the way the writer create this publication.*

*(Mrs. Piper Jacobi)*

## UNGIFTED: INTELLIGENCE REDEFINED

The Perseus Books Group. Paperback. Book Condition: new. BRAND NEW, Ungifted: Intelligence Redefined, Scott Barry Kaufman, In Ungifted, cognitive psychologist Scott Barry Kaufman--who was relegated to special education as a child--offers a new way of looking at intelligence. He explores the latest research in genetics, neuroscience, and psychology to challenge the conventional wisdom about the childhood predictors of adult success, arguing for a more holistic approach to intelligence that takes into account each individual's abilities, engagement, and personal goals. Combining original research and a singular compassion, Ungifted increases our appreciation for all different kinds of minds and ways of achieving both personally meaningful and publicly recognized forms of success.
