

# Perspectives of a Gay American Immigrant Scientist: Experiences Over Half a Century in the United States and Britain

Filesize: 1.33 MB

## ***Reviews***

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## **PERSPECTIVES OF A GAY AMERICAN IMMIGRANT SCIENTIST: EXPERIENCES OVER HALF A CENTURY IN THE UNITED STATES AND BRITAIN**

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 62 pages. Dimensions: 10.0in. x 7.0in. x 0.1in. A long retired American scientist, immigrant from the U. K. , looks back at his career and, to his astonishment, recently finds that his work, published many decades ago, had been treated by his colleagues in ways that could be considered to be gross misrepresentation and plagiarism. Stimulated to address these issues, the author continued his research by integrating it into current developments in the field. This resulted in a surprisingly successful series of events. Several publications in peer-reviewed scientific journals, and internationally in several magazines, described new concepts which were widely acclaimed, and this led to an invitation to be keynote speaker at a major conference and also to a job offer. The author wonders if there could have been a connection between the way he was treated as a relatively open gay man and the corporate cultures at Xerox and DuPont several decades ago. This book results from these reflections, which are expanded to include broader considerations such as the interpretation of the extreme homophobia in England half a century ago in terms of its unique educational and social systems. And to the more personal: vignettes from Oxford University and UC Berkeley involving some colorful and well known characters. But also to a dramatic series of events and their complex and dire consequences, resulting from betrayal of the author by an English friend of long standing. This item ships from La Vergne, TN. Paperback.
