Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

CALL OF THE WHITE: TAKING THE WORLD TO THE SOUTH POLE

Summersdale Publishers. Paperback. Book Condition: new. BRAND NEW, Call of the White: Taking the World to the South Pole, Felicity Aston, Could you ski to the South Pole? That was the challenge that British Adventurer, Felicity Aston put to women from around the Commonwealth as she set out to create the most international all-female expedition ever to the South Pole. The team would not be experienced explorers but 'ordinary' women who wanted inspire others to follow their dreams or make a change for the better in their lives. She received more than 800 applications and embarked on a three-month journey around the world to interview candidates. 'What is skiing?' was the question that greeted her in Ghana. At the close of 2009, Felicity led a team from places as diverse as Jamaica, India, Singapore and Cyprus - some of whom had never even seen snow or spent the night in a tent before joining the expedition - on a 900 km skiing trek across the Antarctic, one of the toughest and most notoriously hazardous journeys on the planet. Eighty-mile-an-hour winds ripped through base camp; frostbite and injuries were an everyday occurrence; deadly crevasses emerged from the cracking ice beneath their feet. But they also shared beliefs, ideas, philosophies and laughter, made lasting memories and broke no less than six World Records.
